

The Deer Valley Unified School District is excited to announce it will be offering incoming kindergarten students a new blended kindergarten experience beginning in the 2013-14 school year.

New Kindergarten Blended Model

- In order to better serve the learning needs of kindergarten students, DVUSD is moving to a blended kindergarten-based model.
- Tuition paid students will remain all day with the same general education teacher beginning next school year.
- DVUSD kindergarten classrooms include innovative technology – iPads, SMART Boards, and more.
- Tuition-Based (Qualifies as Tax Credit) \$400 for married and \$200 for single individual. Tax credit reduces your tax burden to Arizona dollar for dollar.
- Sign up now – teacher staffing will be based on the 2013-14 projected kindergarten and extended day enrollments.
- Transportation will be provided to all qualified kindergarten students who live over 1/2 mile from school.
- Half day kindergarten will continue to be offered.
